Practice 03

Activity one: state the difference between the following items:

Author v.s Editor - Editor v.s Publisher - Anthology v.s Journal Article – Inch v.s Centimetre

Author is the writer of a book, article, or document.

Editor is the one who is in charge of the final content of a newspaper, magazine, or multi-author book.

Publisher is the one who issues books, journals or magazines for sale.

Anthology is a published collection of poems, stories or book chapters.

Journal Article is shorter than a book and written about very specific topics. A Journal is a collection of articles that is published regularly throughout the year. Journals present the most recent research, and journal articles are written by experts, for experts.

Inch is a unit of linear measure equal to one twelfth of a foot (2.54 cm).
