## My Working Day

Read the text below. For each question, decide if it is "True" or "False".

My working day starts very early. From Monday to Friday I get up at half past three and I have a shower and a cup of coffee. I usually leave the house at ten past four because the car always arrives a few minutes early. I get to the studio at about five o'clock and start work. My programme Good Morning Britain starts at seven o'clock and finishes at nine o'clock. Then I leave the studio at a quarter past ten. After that, I go shopping and visit some friends. I get home at three o'clock. A woman helps me with the housework and the ironing. I read a newspaper and do some work.

Then my husband gets home at half past five in the evening and I cook dinner. We stay at home in the evening. We don't go out because I go to bed very early. We usually watch television and then I go to bed at half past eight. I'm usually asleep by nine o'clock.

I think my job is very interesting but I don't like getting up very early.

## Tomas From Vienna

**Read about Tomas who comes from Vienna, then answer the True/False questions about him.**

I'm Tomas and I live in Vienna with my parents and my sisters. I'm the youngest in my family. I turned 13 last month. My sisters are Martina, 16, and Betta, 19. Betta's very serious and she always tells me what to do, I guess because she's the oldest. I go to a nice school not too far from our home and I really enjoy it. I have a lot of friends there and I enjoy studying. My best subject is Geography, probably because it's the easiest too! My most difficult subject is Math - I'm terrible and I don't like my teacher. I love playing sports, especially basketball. I'm the tallest player on the school team and I usually play really well. It's the happiest part of my day. My coach says that one day I could play professional basketball! On the weekend I spend a lot of time with my friends Ralf and Kurt. We do everything together and they are the most important people in my life, apart from my family of course!

## Tim's Day

**Read about Tim's normal day and then answer either Yes or No for each question.**

Every day Tim wakes up at five thirty when his alarm clock rings. He gets up and then goes to the bathroom and has a long, hot shower. After that he makes breakfast for him and his wife, Betty. Tim has coffee and two slices of toast and Betty drinks a cup of tea and eats a bowl of cornflakes. At six o'clock Tim brushes his teeth, always before he gets dressed because it is very important that he doesn't get toothpaste on his clothes - Tim is a train driver and he wears a uniform! Finally, he kisses his wife and baby son and leaves his house in Watford at a quarter after six.

Tim starts work at seven o'clock and drives trains on the London Underground. He usually works in the mornings from Monday to Friday, but he sometimes works on the weekends too. At noon he stops work for half an hour to have his lunch. He eats cheese and tomato sandwiches which Betty makes for him, and drinks a bottle of milk. After lunch he works until four o'clock and then he goes home. In the evening he plays with his baby son, Ben, and watches TV with Betty. At ten thirty they all go to bed because they are very tired - and because they get up so early in the morning!
